Introduction

This document describes the IP Maestro software release life cycle, and its end-of-sales and end-of-life policies.

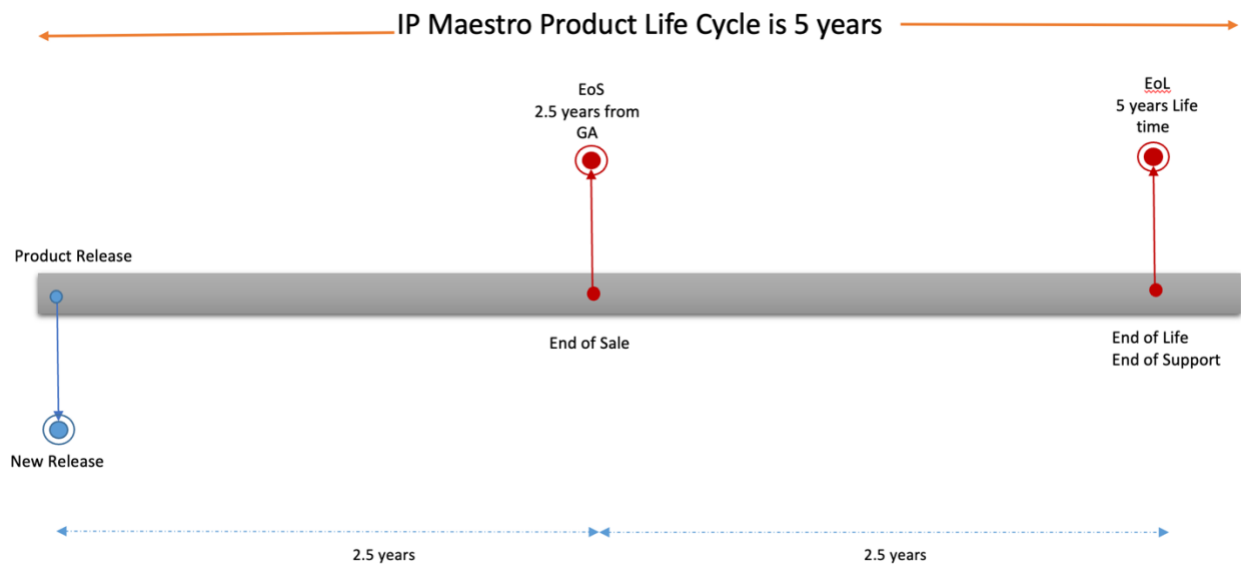

End of Sales and End of Life Process

Every software version will have lifecycle of 5 years from the date of release as shown in 0:

- End of Sale (EoS) is 2.5 years after product release. EoS notification will be made 2 years after product release (6 months before the actual EoS).
- End of Life (EoL) is 2.5 years after EoS.

Between EoS and EoL, Maintenance and Support (M&S) SKUs will be available for purchase.
